Codified Law 5-18B-1, one copy of Plans and Specifications shall be furnished, without charge, to each Contractor resident in South Dakota who intends, in good faith, to bid upon the project. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder's date of receipt of the Bidding Documents. Partial sets of the Bidding Documents will not be available from the Issuing Office.

A pre-bid conference will be held at **2:00 P.M.** local time on **March 12, 2020** at the **City Hall, 626 Main St, Redfield, SD 57469**. Attendance at the pre-bid conference is highly encouraged but is not mandatory.

Bid security shall be furnished in accordance with the Instructions to Bidders.

In addition to all of the above listed Federal requirements for work on this project, compliance with the contract Work Hours and Safety Standards Act, Executive Order 11375, Copeland Act, the Clean Air Act, and Water Pollution Control Act, and subsequent amendments to all of the above will be required of contractors and/or subcontractors performing work on this project.

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All listed iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials. The deminimis and minor components waiver {add project specific waivers as applicable} apply to this contract.
