COVID-19 Precautions

Mellette will not restrict access to this project's bid opening; however, they do respectfully ask that only **one** representative per bidder be present for the public opening and reading of the bids in an effort to follow the recommendations of the Governor of South Dakota and the guidelines to prevent the spread of COVID-19. In addition, Mellette shall enforce the "social distancing" rule and, therefore, anyone attending the meeting will be required to comply with said rule.

Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment requirements:

The low responsive bidder must assure compliance with the requirements of Public Law 115-232, Section 889, Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment.

Bid security shall be furnished in accordance with the Instructions to Bidders.

Bidders on this work will be required to comply with the Presidents Executive Order Nos. 11246 as amended, 11518, and 11625 as amended. The requirements for bidders and contractors under these orders are explained in the specifications.

The low responsive bidder will be required to certify to compliance with the American Iron and Steel provision of the Consolidated Appropriations Act of 2014. This certification form may be found on page AIS-21 of the State Revolving Fund (SRF) General Conditions and must be included in the bid proposal.

Please be advised that waivers or exemptions from the American Iron and Steel provision that cite International Trade Agreements **DO NOT** comply with the Consolidated Appropriations Act of 2014 as it applies to the SRF programs. Claims from suppliers that the American Iron and Steel provision does not apply to certain products based on the International Trade Agreement exemptions of the Consolidated Appropriations Act of 2014 will not be accepted.

Bidders on this work will be required to comply with Title 40 CFR 33 and Executive Order 12138. The requirements for bidders and contractors under this regulation which concerns utilization of Disadvantaged/Minority Business Enterprises (DBE/MBE) and Women's Business Enterprises (WBE) are explained in the specifications. The goals for DBE/MBE participation are 1% and WBE participation are 4%.

Bidders are also reminded that not less than the minimum wages as determined by the Davis Bacon Act and set forth in the Contract Documents must be paid on this project and that the contractor and/or subcontractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin.

In addition to all of the above listed Federal requirements for work on this project, compliance with the contract Work Hours and Safety Standards Act, Executive Order 11375, Copeland Act, the Clean Air Act, and Water Pollution Control Act, and subsequent amendments to all of the above will be required of contractors and/or subcontractors performing work on this project.
