

SECTION 00020 INVITATION TO BID

The City of Bonesteel will receive sealed bids for their Railway Addition Development Project until **Thursday April 3, 2025 at 2:00 p.m. CST** at the Finance Office located at 402 Mellette Street, Bonesteel, South Dakota 57317. Received sealed bids will be opened and read aloud at the above place and time.

Bids are invited upon the general items of work as follows:

Bid Schedule A:

898 linear feet of 8" PVC sanitary sewer main, 120 linear feet of 4" PVC sanitary sewer service, 2,307 linear feet of 6" PVC water main, install 2 fire hydrants, 106 tons of gravel base course, 16 tons of gravel surfacing, 140 cubic yards of ditch excavation and embankment, 557 cubic yards of ditch excavation and stockpile, and 78 cubic yards of unclassified excavation, and all related appurtenances to the aforementioned work items.

The approximate quantities mentioned above are subject to increase or decrease. It will be agreed by bidders that all quantities of work will be performed in accordance with the provisions of the specifications and at the unit price bid. Bidders agree to furnish all labor, material, and equipment necessary to complete all the work as shown in the plans and specifications.

The complete set of Contract Documents, including drawings and specifications, is available for review at the City of Bonesteel and/or at the office of Schmucker, Paul, Nohr and Associates, 2100 North Sanborn Blvd, Mitchell, South Dakota 57301. A paper copy of the Contract Documents and Plans can be ordered by contacting SPN & Associates. The Contract Documents and Plans will also be made available at the SPN website www.spn-assoc.com.

Each bid must be accompanied by a certified check or bank draft payable to the order of the City of Bonesteel in an amount equal to five percent (5%) of the total bid. A bid bond in an amount equal to ten percent (10%) of the total bid will be accepted in lieu of a certified check or bank draft. Surety for bid bond must be authorized to do business in the State of South Dakota.

Pursuant to State Law, a copy of the bidder's sales and use tax license and a copy of the bidder's excise tax license as issued by the State of South Dakota must accompany the bid. In lieu of a copy of the license, the bidder shall submit appropriate evidence that the bidder and all affiliates have the appropriate licenses.

Bidders are advised that any contracts awarded on this project will be partially funded by the South Dakota Housing Infrastructure Financing Program (SDHIFP). All requirements of the funding agency for construction projects shall be met by all contractors and/or subcontractors performing work on this project. Neither the United States nor any of its departments, agencies, or employees is or will be a party to this Invitation to Bid or any resulting contract. This procurement will be subject to EPA regulations contained in 40 CFR 35.936, 35.938 and 35.939.

Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

Equal Employment Opportunity - Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) - Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Rights to Inventions Made Under a Contract or Agreement - If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Procurement of Recovered Materials - A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Domestic preferences for procurements - As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

Assurance Requirements - Subrecipient agrees to abide by all applicable provisions of the following: Drug-Free Workplace, Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Section 504 of the Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972, Drug Abuse Office and Treatment Act of 1972, Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, Age Discrimination Act of 1975, Americans with Disabilities Act of 1990, Pro-Children Act of 1994, Hatch Act, Health Insurance Portability and Accountability Act (HIPAA) of 1996 as amended, Federal Water Pollution Control Act, Charitable Choice Provisions and Regulations, Equal Treatment for Faith-Based Religions at Title 28 Code of Federal Regulations Part 38, the Violence Against Women Reauthorization Act of 2013 and American Recovery and Reinvestment Act of 2009, as applicable; and any other nondiscrimination provision in the specific statutes under which application for federal assistance is being made; and the requirements of any other nondiscrimination statutes which may apply to the award.

Bidders on this work are prohibited from doing business with the governments of China, Iran, North Korea, Russia, Cuba, and Venezuela per South Dakota Executive Order 2023-02. The apparent low bidder will also be required to provide certification that the contractor is not owned, influenced, or affiliated with any of these countries.

Bids may be held by the City of Bonesteel City Council for a period of not more than thirty (30) days from the date of opening of bids for the purpose of reviewing the bids, investigating the qualifications of the bidders and completing financial arrangements prior to awarding the Work. The Owner reserves the right to reject any or all bids and to waive any informalities in the bidding and make awards to the Owner's best interest.
