ACTION TO ENSURE EQUAL EMPLOYMENT
OPPORTUNITY (EXECUTIVE ORDER 11246)**

Compliance with the American Iron and Steel provision of the Consolidated Appropriations Act of 2014 is required. A certification form is included with the bidding documents and must be included with the bid. Note that waivers or exemptions from the American Iron and Steel provision which refer to International Trade Agreements do not comply with the Consolidated Appropriations Act of 2014 for SRF programs. Claims from suppliers will not be accepted which indicate that the American Iron and Steel provision does not apply to certain products based on the International Trade Agreement exemptions of the Consolidated Appropriations Act of 2014.

This project may be partially funded using American Rescue Plan Act (ARPA) funds. As a condition of the ARPA funding guidelines, the Contractor is shall meet the following minimum requirements: Based on the "Build America, Buy America" provisions of the Infrastructure Investment and Jobs Act (IIJA) and E.O. 14005 which provide that, as appropriate and to the extent consistent with law, a

preference will be provided to Contractors for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products.) The Contractor shall provide documentation of their efforts to meet the provisions of "Build America, Buy America" upon request. A copy of the ARPA funding guidance that outlines the requirements associated with projects that utilize this funding can be found at the following link: <https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-funds/>.

Bidders on this work will be required to comply with Title 40 CFR 35 Title 40 CFR 33 and Executive Order 12138. The goals and other requirements for bidders and contractors under this regulation which concerns utilization of disadvantaged/minority business enterprises are explained in Part 1 of these Contract Documents.

The Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications". The requirements for bidders and Contractors under this order are explained in Part 1 of these Contract Documents.

Bidders are also reminded that not less than the minimum wages as determined by the Davis-Bacon Act and set forth in the Contract Documents must be paid on this project and that the contractor and/or subcontractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex or natural origin.

In addition to all of the above-listed Federal requirements for work on this project, compliance with the contract Work Hours and Safety Standards Act, Executive Order 11375, Copeland Act, the Clean Air Act, and Water Pollution Control Act and subsequent amendments to all of the above will be required of contractors and/or subcontractors performing work on this project.

The bidders must assure compliance with the requirements of Public Law 115-232, Section 889, Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment.

Bids may be held by the City for a period of not more than thirty (30) days from the date of opening of bids for the purpose of reviewing the bids, investigating the qualifications of the bidders and completing financial arrangements prior to awarding the Work. The Owner reserves the right to reject any or all bids and to waive any informalities in the bidding and make awards to the Owner's best interest.
